## Dear sports friends,

First of all, we would like to welcome you to our beautiful sports complex of **FC Geleen Zuid**; Graaf Huyn Sportcomplex! We are going to make it a great event this year. We will do our utmost to give you an unforgettable weekend, so that you can look back on this Whitsun weekend with a good feeling. As host club **FC Geleen Zuid**, we will do this in close cooperation with our fellow football club vv Maastricht West and with Euro-Sportring; This year, the entire organisation has once again succeeded in realising a beautiful and varied field of participants and a great programme. The results of this will be visible on and around our fields in the coming days!

The programmes and playing schedules have been compiled with great care. We would therefore like to thank and put in the limelight all those involved, both in the preparations and during the tournament; Thank you!

We, the board of **FC Geleen Zuid**, think it is important that we get to organise this tournament. It is enormously special for the youth teams. Taking part in an international tournament, outside the regular league and cup matches, ensures better development and is incredibly enjoyable! We hope you are all going to enjoy these matches, and that they will be sporting. After all, fair play is paramount, and we want to (show) this during the tournament as well.

Do you have a question? Then don't hesitate to approach us and just ask your question. We will answer those as well.

Finally, we would like to wish everyone, who is present as a footballer, trainer, coach, supporter and/or visitor, a nice and sporty tournament. Enjoy the football and the atmosphere around it. If there is any time left over outside the tournament, we hope you can enjoy beautiful Maastricht (and its surroundings). We, as **FC Geleen Zuid**, are immensely proud of this special city that has a lot to offer its guests.

We wish you all a happy Pentecost weekend.

On behalf of the Board of Directors of **FC Geleen Zuid**
